Just listen the first time, and then try to sing along with the song when it repeats itself. A rite of passage for musicians is having a song in the top 40 radio chart hits. Radio: Once a song becomes popular enough to be picked up by radio stations, it can gain a lot of traction and earn a place on the Billboard Hot 100. In recent years, on-demand video and audio streaming services have set records for streams. They include:Sales: Nielsen tracks all physical and digital record sales for 19 different countries, including the United States and Canada. You can also see the most played songs on the radio, the most popular songs in streaming, the best digital music sales and the best hits of the year.Hot 200 Albums ChartThe Hot 200 Albums Chart tracks the best-selling albums of the week. Radio is still the most popular way to consume music. This song has the same melody as "Twinkle, Twinkle Little Star". These symbols represent the sound of English words, regardless of spelling. Music Streaming: The number of plays on online radio stations such as Pandora, Spotify, Apple Music, Yahoo Music and AOL Music are counted towards the total number of streams. Click the audio symbol to hear the song four times. For an artist to enter the Top 40, he or she must have high radio plays. Sing this song often, and you will learn your ABCs quickly, too!
